In the howling wind comes a stinging rain  
See it driving nails into souls on the tree of pain  
From the firefly, a red orange glow  
See the face of fear running scared in the valley below

Bullet the blue sky  
Bullet the blue

In the locust wind comes a rattle and hum  
Jacob wrestled the angel and the angel was overcome  
Plant a demon seed, you raise a flower of fire  
See them burning crosses, see the flames, higher and higher

Bullet the blue sky  
Bullet the blue

Suit and tie comes up to me  
His face red  
Like a rose on a thorn bush  
Like all the colours of a royal flush  
Through the alleys of a quiet city street  
Up the staircase to the first floor  
We turn the key and slowly unlock the door  
A man breathes deep into saxophone  
Through the walls we hear the city graon  
Outside is America  
Outside is America
