

Mysterious Ways

U2

(Heavy distortion recommended)

This song can be played with a capo on the 8th fret, if you can do that. Then it becomes fairly simple just playing D instead of A, etc. (see the chord formations). Or you can play it with a capo on 1st fret, which is how I've finally put the chords. [Editor's Comment]

Intro/transitions: (Repeated about 9 times)

```

E-----
B-----10-10-----
G-----9--9-----
D----7--7--7-----
A-10-----
E-----

```

(Note: the above is basically the A chord played on a few strings)

(Note: chords given below generally are played by an organ in background)

```

A                               D
Johnny took a walk with your sister the moon
      A                               E
Let her pale light in to fill up your room
A                               D
You've been living underground, eating from a can
A                               E           A
You've been running away from what you don't understand (love)

```

Chorus: (the chorus basically just switches back between the A and D chords)

```

E-----10-10-|-----
B-----10-10---10-10-|-----
G-----9--9---7--7-|-----
D-----7--7-----|-----
A-----|-----
E-----|-----
      (A)      (D)

```

(So, when you see A or D, play the above chord formations, respectively)

```

A                               D
She's slippy, you're sliding down
A                               D
She'll be there when you hit the ground

A                               D
It's alright...it's alright...it's alright
C                               G

```

She moves in mysterious ways
A D
It s alright...it s alright...it s alright
C G
She moves in mysterious ways

Johnny take a dive with your sister in the rain
Let her talk about the things you can t explain
To touch is to heal, to hurt is to steal
If you want to kiss the sky
Better learn how to kneel (...on your knees boy!)

She s the wave, she turns the tide
She sees the man inside the child

It s alright...it s alright...it s alright
She moves in mysterious ways (x3)
It s alright...it s alright...it s alright
Lift my days...light up my nights
