

North And South Of The River

U2

C **G**
I want to reach out over the Loch
Am **F**
And feel your hand across the water
C **G**
Walk with you along an unapproved road
Am **F**
Not looking over my shoulder

C **G**
I wanna see, and I wanna hear
Am **F**
To under- stand your fears
C **G** **Am** **F**
But we re north and south of the river

C **G**
I ve been doing it wrong all of my life
Am **F**
This holy town has turned me over
C **G**
A young man running from what he didn t understand
Am **F**
While the wind from the Loch just get colder, colder

C **G**
There was a badness that had its way
Am **F**
But love wasn t lost, love will have its day
C **G** **Am** **F**
North and south of the river
C **G** **Am** **F**
North and south of the river

C **G**
Can we stop playing this old tattoo
Am **F**
Darling I don t have the answer
C **G**
I wanna meet you where you are
Am **F**
I don t need ya to surrender

C **G**
Cause there s no feeling that s so alone
Am **F**
When when the one you re hurting is your own

C **G** **Am** **F**

North and south of the river

C G

North and south of the river

Am F

North and south of the river

C G

Some high ground is not worth taking

Am F

Some connections are not worth making

C G

This old church bell no longer ringing

Am F

Some old songs are not worth bringing

C G Am F

North... / Higher ground is not worth taking
