and whatever you want - everything U2 related, of course! ;-)

A **D**
Forty-five lightyears from home
C#m **Bm**
is where you are and where I wanna be beside you now
A **D**
Looking for direction stars of your reflection
C#m **Bm** **F#m**
to the space between you and me, aah, aah

D **E** **F#m** **E** **D**
I can t wait any longer for your love
D **F#m** **Bm**
I can t wait , I can t wait , I can t wait any longer for it
D **E** **F#m** **E** **D** **Bm** **F#m**
I can t wait any longer for your love to be seen

Bird still singing for them
and they fly above the government
It s not a song of discontent
I m howling now, it s me that spent
Here I am a space cowboy
Looking out for love and logic in the universe

I can t wait any longer for your love
I can t wait, I can t wait
I can t wait any longer for it
I can t wait any longer for your love to be seen

Bm **F#m** **G** **Em**
And the day packs it in and you watch as the sun goes down
Bm **F#m** **G-Em**

pray that the night will come quickly

Bm F#m G Em
you hope, you pray that these clouds leave the sky alone
Bm F#m Em Em A
cos there s only one light that can guide you... guide you.... ooh

A, Asus4, A (play around with that chords until chorus comes in again)
Whooooa, whoooa, whoooa say it, say it...

D E F#m E
I can t wait any longer
D E F#m E
I can t wait any longer for your love
D E F#m E
I can t wait any longer for your love
D F#m Bm
I can t wait, I can t wait, I can t wait
Bm) D E F#m E D E F#m
For your loooooove, for your loooooove

D E
It s not the xxxxx of the song
F#m E
While the lights are xxxx you shout it
D E
You want it, you got it
F#m E D F#m.
You take a lot xxx xxxx inside...

I m sorry, since there is no official release of the song (yet?),
I haven t been able to completely understand all the words,
specially in the final part of the song.

The chords and key are all correct, though ;-)

Love and Peace.

Long live U2!

LikeASong / U2santos / Sergio Santos.
