And you never knew what was on the ground
 Until you made them crawl
 So you never knew that the heaven you keep, you stole

 Your Catholic blues, your convent shoes
 Em G
 Your stick-on tattoos, now they re making news
 Bm A
 Your holy war, your northern star
 Em G
 Your sermon on the mount from the boot of your car

 Please, please, please get up off your knees now
 Bm A Em G
 Please, please, please leave it out

 cause love is big, it s bigger than us
 Bm A Em G
 But love is not what you re thinking of
 Bm A
 It s what lovers deal, it s what lovers steal
 Em G
 You know I ve found it hard to receive
 Bm A Em Bm
 Cause you, my love, I could never believe
