G C
 From Father to Son the blood runs thin
 G C
 Our faces frozen (still) against the wind
 G C
 The seam is split, the coal face cracked
 G C
 The lines are long and there s no going back
 G C
 Through hands of steel and a heart of stone
 G C D
 Our labour day has come and gone
 A
 And you leave us holding on
 F
 In Red Hill Town, as the lights go down

G D
 I m hanging on
 F C
 You re all that s left to hold on to
 G D
 I m holding on
 F C
 You re all that s left to hold on to

The glass is cut, the bottle runs dry
 Our love runs cold in the caverns of the night
 We re wounded by fear, injured in doubt
 I can lose myself, you I can t live without
 Because you keep me holding on
 In Red Hill Town, as the lights go down

I m hanging on ...

And we scorch the earth, set fire to the sky
 Stoop so low to reach so hihgh
 A link is lost, the chain undone
 Now we wait all day for the night to come
 And it comes
 And it comes
 Like a hunter (child)

I m hanging on
 You re all that s left to hold on to
 I m hanging on
 You re all that s left to hold on to

G D

We see love slowly stripped away

F C

Our love, has seen a better day

I m hanging on

You re all that s left to hold on to

I m holding on

You re all that s left to hold on to

See the lights go down on Red Hill Town
