

Running to Stand Still

U2

D G
And so she woke up, woke up from where she was lying still, said I
D G
got to do something about where we re going.
D G
Step on a steam train, step out of the driving rain, maybe
D G
run from the darkness in the night, singing
A C G
ah, ah la la la de day
A C G D G
ah la la la de day, ah la la de day

Sweet the sin, but bitter the taste in my mouth.
I see seven towers, but I only see one way out.
You got to cry without weeping, talk without speaking,
scream without raising your voice, you know I took the poison,
from the poison stream, then I floated out of here, singing
ah, ah la la la de day
ah la la la de day, ah la la de day

G D G
oooh, oooh, oooh

D
She runs through the street with her eyes painted red
G
under black belly of cloud in the rain
D
in through the doorway she brings me
G D
white gold and pearls, stolen from the sea, she is raging
G
she is raging, and the storm blows up in her eyes, she will
A C G
suffer the needle chill
A C G D G D G D
she s running to stand still
