E
You ve got a face not spoiled by beauty
F# G#m
I have some scars from where I ve been
E
You ve got eyes that can see right through me
F# G#m
You re not afraid of anything they ve seen

E
I was told that I would feel
F# G#m
Nothing the first time
E
I don t know how these cuts heal
F# G#m
But in you, I ve found a right

E
If there is a light
B
You can always see
F#
And there is a world
G#m
We can always be
E
If there is a dark
B
Within and without

And there is a light
G#m
Don't let it go out

 And I m a long way
 From your hill on Calvary
 And I m a long way
 From where I was, where I need to be
 If there is a light you can always see
 And there is a world we can always be
 If there is a kiss I stole from your mouth
 And there is a light, don t let it go out
