Oh my love, it s a long way we ve come.
F#m E D
From the freckled hills, to the steel and glass canyons.
Am G D
From the stony fields, to hanging steel from the sky.
Am G D
From digging in our pockets, for a reason not to say goodbye.

F#m E D
These are the hands, that built America.
F#m E D
Ahhhh America.

Last saw your face, in a water colour sky.
As sea birds argue, a long goodbye.
I took your kiss, on the spray of the new land star.
You gotta live with your dreams, don t make them so hard, ohh ohh.

And these are the hands, that built America.
Ahhhh America.

Em7 Em F
Of all of the promises, is this one we could keep?
Em7 Em F
Of all of the dreams, is this one still out of reach.

F
Halle, Ole

(Repete Em7, Em, F thing)

F#m E D
It s early fall, there s a cloud on the New York sky line.
F#m E D
Innocence, dragged across a yellow line.
F#m E D
These are the hands that built America.
F#m E D
These are the hands that built America.

F#m E D
Ahhhh America.

F#m E D
Ahhhh America.

Acaba com Am.
