

The Wanderer
U2

intro - **G** (tune guitar down a semitone)

G I went out walking through street paved with gold
C Lifted some stones, saw the skin and bones of a
G City without a soul
G I went walking under an atomic sky, where the
C Ground won't turn and the rain it burns like the
G tears when I said goodbye

Em Yeah I went with (**C**) nothing
G Nothing but the thought of you
D I went wan- (**Em**) der-ing (**C**) (**D**) (**G**)

G I went riding down that old eight lane. I
C passed by a thousand signs
G looking for my own name
Em I went with (**C**) nothing but the thought
G You **D** be there (**D**) too, looking for (**Em**) you (**C**) (**D**) (**G**)

C I went out there in
G Search of experience, to taste
Em and to touch (**C**) and to feel as much
G as a man can (**D**) before he repents (**Em**) (**C**) (**D**) (**G**)

Em Yeah I left with (**C**) nothing
G Nothing but the thought of you
D I went wan- (**Em**) der-ing (**C**) (**D**) (**G**) (**C**) (**G**) etc

Verse 2

I went drifting
Through the capitals of tin
Where men can't walk
Or freely talk
And sons turn their fathers in
I stopped outside a church house
Where the citizens like to sit
They say they want the kingdom
But they don't want God in it
I went out riding
Down that old eight lane etc

Verse 3

I went out searching
Looking for one good man
A spirit who would not bend or break
Who would sit at his father's right hand

I went out walking
With a bible and a gun
The word of God lay heavy on my heart
I was sure I was the one
Now Jesus, don t you wait up
Jesus, I ll be home soon
Yeah I went out for the papers
Told her I d be back by noon
Yeah I left with nothing
But the thought you d be there too
Looking for you
