

The Wanderer

U2

intro - **G** (tune guitar down a semitone)

**G** I went out walking through street paved with gold  
**C** Lifted some stones, saw the skin and bones of a  
**G** City without a soul  
**G** I went walking under an atomic sky, where the  
**C** Ground won't turn and the rain it burns like the  
**G** tears when I said goodbye

**Em** Yeah I went with (**C**) nothing  
**G** Nothing but the thought of you  
**D** I went wan- (**Em**) der-ing (**C**) (**D**) (**G**)

**G** I went riding down that old eight lane. I  
**C** passed by a thousand signs  
**G** looking for my own name  
**Em** I went with (**C**) nothing but the thought  
**G** You **D** be there (**D**) too, looking for (**Em**) you (**C**) (**D**) (**G**)

**C** I went out there in  
**G** Search of experience, to taste  
**Em** and to touch (**C**) and to feel as much  
**G** as a man can (**D**) before he repents (**Em**) (**C**) (**D**) (**G**)

**Em** Yeah I left with (**C**) nothing  
**G** Nothing but the thought of you  
**D** I went wan- (**Em**) der-ing (**C**) (**D**) (**G**) (**C**) (**G**) etc

Verse 2

I went drifting  
Through the capitals of tin  
Where men can't walk  
Or freely talk  
And sons turn their fathers in  
I stopped outside a church house  
Where the citizens like to sit  
They say they want the kingdom  
But they don't want God in it  
I went out riding  
Down that old eight lane etc

Verse 3

I went out searching  
Looking for one good man  
A spirit who would not bend or break  
Who would sit at his father's right hand

I went out walking  
With a bible and a gun  
The word of God lay heavy on my heart  
I was sure I was the one  
Now Jesus, don t you wait up  
Jesus, I ll be home soon  
Yeah I went out for the papers  
Told her I d be back by noon  
Yeah I left with nothing  
But the thought you d be there too  
Looking for you
