If It Happens Again
UB40

[Chorus:]
G#   **F#**
If it happens again I m leaving
G#   **F#**
I ll pack my things and go
G#
If it happens again
F#
There ll be no looking back
G#   **F#**
I won t say I told you so

G#
You did what you were told
F#
And you took the strain
G#
Been left out in the cold
F#
Got yourself to blame
C#
But believe me,
D#   **C#**
If it happens again I m leaving
D#   **C#**
If it stays the same I m gone
D#
When you re stabbed in the back
C#   **D#**
And there s salt in the wound
C#   **G#**
The it s time to move along

[Chorus]

[Interlude]
D# - **C#** - **D#** - **C#** - **D#** - **C#** - **D#** - **C#** - **G#**

G#
No more spanners in the works,
F#
All the works been done
G#
Had your face rubbed in the dirt
F#
On show for every one

C#
But believe me
D#   **C#**
If it happens again I m leaving
D#   **C#**
If it stays the same I m gone
D#   **C#**
When compromise is the song you sing
D#   **G#**
It s been going on to long

[Chorus]
