Chorus: D-A (3x) D - E

thanks 2 ma buddy Mike Macasero. comments & suggestions 2 sanviduca@gmail.com or on the site $\,$

A Bm

You try to close your ears

A Bm

And you try to close your eyes

A Bm

But the blasphemies keep coming

A Bm

Tempting you with lies

(Chorus)

D P

Give thanks for you protection

Your watchdogs of the night

_

Who hold the hungry wolves at bay

D E E

And keep them out of sight, out of sight

A Bm

You just don't understand it

A Bm

But it strikes a distant chord

A Bm

So you look for away of escaping

A Bm

And sanity`s restored

(Chorus)

Give thanks for your protection

the watchdogs of the night

Who hold the hungry wolves at bay

ם פ

And keep them out of sight, out of sight

Α BmYou focus your direction Cloak tightly pulled around BmBut somewhere in the distance You can hear a haunting sound (Chorus) Give thanks for your protection the watchdogs of the night Who hold the hungry wolves at bay And keep them out of sight, out of sight Α BmYou`re in danger of corruption BmAnd you're always running scared BmYou cannot make decisions You`re completely unprepared (Chorus) Give thanks for your protection the watchdogs of the night Who hold the hungry wolves at bay And keep them out of sight, out of sight
