

**G#** **Bbm**  
You focus your direction  
**G#** **Bbm**  
Cloak tightly pulled around  
**G#** **Bbm**  
But somewhere in the distance  
**G#** **Bbm**  
You can hear a haunting sound

(Chorus)

**C#** **G#**  
Give thanks for your protection  
**C#** **G#**  
the watchdogs of the night  
**C#** **G#**  
Who hold the hungry wolves at bay  
**C#** **Eb** **Eb**  
And keep them out of sight, out of sight

**G#** **Bbm**  
You`re in danger of corruption  
**G#** **Bbm**  
And you`re always running scared  
**G#** **Bbm**  
You cannot make decisions  
**G#** **Bbm**  
You`re completely unprepared

(Chorus)

**C#** **G#**  
Give thanks for your protection  
**C#** **G#**  
the watchdogs of the night  
**C#** **G#**  
Who hold the hungry wolves at bay  
**C#** **Eb** **Eb**  
And keep them out of sight, out of sight
