Segue em rock:

G C G C G
It s another night out on the avenue
G C G C G
Looking for something, something that you knew
G C
And you re wondering where she is
G C G
Now there s now there s no more rendezvous

D D
You re left out here on this cold stark street
C C
With the sound of lovers as they tango and meet
D D
Their sweet surrender with a promise and a kiss
C C
Where s that girl, the one you miss

G C G C G
Those ooh la la la girls in their skirts they go rushing by
G C
They look around and give you that come on
G C G
With their dreamy dreamy eyes
D D
Then you never stop to count your mistakes
G G
That one blind moment with no give and take
D D
Is lost in every stranger s face you see
G G
If there s a loser that loser s me

G Em D G Em D
Please put a little love back into my life
G Em D G C D
Won't you please put a little love back into my life

G C G C G
Every night's another night you keep looking back
G C G C G
Trying to fill the spaces hours and the minutes and the missing gaps

G C G C G 2x
Em G Am

G C G Em G Am
Every shadow's like a ghost that comes and haunts you
G C G G Am Em
Angel of the night plays her tricks today it's true
D C Em G Am
With every step, every step you see her slip away
G C
Not just today

G C G C G
It's another night out on the avenue
G C G C G
Looking for something, something that you knew
