C#m A  
I m feeling like a stranger  
E B E  
But they tell me a good thing lasts forever

A B E  
Who s to say we can t talk it over  
A E  
cause in time I know  
G# A B (Bass line)  
That we ll work it out  
G#m  
Give it one more chance  
A  
Before it s too late  
E A  
Baby until the last goodbye

Take it or leave it or leave me alone

Baby one (more) little sad reply

As time passed  
C#m A  
By a thousand miles of ocean

E B  
I put you out of sight

And out of mind girl  
E B C#m A  
And before too long promises were broken  
E B E  
Seemed no matter how we tried

A B E  
 Who s to say we can t talk it over  
 A E  
 cause in time I know  
 G# A B (Bass line)  
 That we ll work it out  
 G#m  
 Give it one more chance  
 A  
 Before it s too late  
 E A  
 Baby until the last goodbye  
 E B  
 Take it or leave it or leave me alone

 Baby one (more) little sad reply  
 E B E  
 Take it or leave it or leave me alone
