I ve takin a likin to your game  
 I think we all,we feel the same  
 Is this a dream, or is it real  
 You say you want to cut a deal?

(The rest of the song is pretty much the same, here are all the lyrics...)

Mr. Recordman, do you know who I am?  
 Mr. Recordman , do you really think I can?  
 I ve takin a likin to your game  
 I think we all, we feel the same  
 Is this a dream or is it real?  
 You say you want to cut a deal?

Mr. Recordman, do you know who I am?  
 Mr. Recordman , do you really think I can?

Don t need much time to think about  
 I m sure that you have got the clout  
 I only hope that you re my friend  
 And stand by me until the end

Mr. Recordman, do you know who I am?  
 Mr. Recordman , do you really think I can?

Sell a lotta records n tour round the world,  
 Make a lotta money n meet lotsa girls  
 Mr. Recordman, do you know who I am?  
 Mr. Recordman , do you really think I can?

It sounds like music to my ears  
 I ve dreamed of this for many years

To sell a lotta records n tour round the world,  
 Make a lotta money n meet lotsa girls  
 Have a lot of fun and hang with my bro s  
 Cause these boys n this band is all I know

If not for the money and not for the show  
 Are you here for me here for the dough?  
 Mr. Recordman, do you really give a damn?  
 Mr. Recordman
