

Say So
Uh Huh Her

Say So

C Am Em G

You say that you re broken
I just want to fix you
Tell me what to do,
baby I will listen

Did it go unwritten
All the things you re missing
Tell me what to do and
maybe I can fix it

F C Am G

(Hollar if you want to, c mon just say that you want to)
Say so, you want to
(You re always disappering)
Say so, you want to
(Hollar if you want to, c mon just say that you want to)
Hollow, you want to
(You re always disappering)
Happy as one

C Am Em G

Run, run if you want to
And you ll find what you re after
Tell me what to do,
I ll find all the answers

F C Am G

(Hollar if you want to, c mon just say that you want to)
Say so, you want to
(You re always disappering)
Say so, you want to
(Hollar if you want to, c mon just say that you want to)
Hollow, you want to
(You re always disappering)
Happy as one

C Am Em G

Don t know how long
I ve wasted my time, yeah
I only want to lie with you here
I never thought that you d be so blind, yeah
Stay if you want and we ll disappear
We ll disappear

F C Am G

Hollar if you want to, come on just
Say that you want to,
you re always disappearing
Hollar if you want to, come on just
Say that you want to,
you re always disappearing

Hollowed out
You re higher now
Hollar if you want to
Yeah yeah yeah yeah

F C Am G

(Hollar if you want to, c mon just say that you want to)
Say so, you want to
(You re always disappearing)
Say so, you want to
(Hollar if you want to, c mon just say that you want to)
Hollow, you want to
(You re always disappearing)
Happy as one

F C Am G

(Hollar if you want to, c mon just say that you want to)
Say so, you want to
(You re always disappearing)
Say so, you want to
(Hollar if you want to, c mon just say that you want to)
Hollow, you want to
(You re always disappearing)
Happy as one
