

Mahk Jchi
Ulali

Ulali <http://www.myspace.com/ulalisofficialpage>
is primarily an a capella group. Mahk Jchi, one of their signature songs, has
been put
music. I derived the chords below from one of the recordings with it.

English Translation:

A hundred years have passed
Yet I hear the distant beat of my father s drums.
I hear his drums throughout the land.
His beat I feel within my heart.
The drum shall beat
so my heart shall beat.
And I shall live a hundred thousand years.
