COLOURS - (Oke)

[Intro]

N.C.

[Verse]

D **C**
When I look at myself, I find you coloured me blue

D **C**
And when I look at you, I find I coloured you too
blue.

Bb **C**
Is this the way we do
Bb **C** **D**
All mistakes we did before

D **C**
When you look at yourself, what colour do you see?
D **C**
Or do you see any colour at all

[Chorus]

Bb **C**
Is this now black or white
Bb **C** **D**
Mistakes you did have been too wide

G G Bb C G
I've been driving through the night
G G Bb C D
You are always on my mind

D **C**
In the early morning, you see the colours of the night
D **C**
When the sun is high, colours in your mind
are blue.

[Chorus]

Bb **C**
Is this the blues you do
Bb **C** **D**
Is this the blues you did before

G G Bb C G
You been driving through the night

G G Bb C Bb
I`m always on your mind

[Outro]

Bb Dm
Who`ll win or who`s gonna loose
Bb Dm Bb C D
Don`t play this blues for me anymore
