

San Fransisco Says Hello
Ulrik Munther

This song is amazing!
Capo on 1 (works best for me)

Intro: **G C Em D** x2

G C Em D
It s been 7 weeks since I saw your face in real life
G C Em D
stroked your hair, smelled your skin, felt your breath against my chin
G C Em D
This is harder than it seems, to try and fulfill your dreams
G C Em
Cause all I want right now is you
D
but this is where I have to be

G C
And I will see you when I m coming back to Sweden
Em D
And I will see you when the raindrops turn to snow
G C Em
when new years eve comes I will be home

I thought you oughtta know

G C Em
Streets and buildings I don t know
D
People, parks, and avenues
