

San Fransisco Says Hello
Ulrik Munther

This song is amazing!
Capo on 1 (works best for me)

Intro: **A D F#m E** x2

A D F#m E
It s been 7 weeks since I saw your face in real life
A D F#m E
stroked your hair, smelled your skin, felt your breath against my chin
A D F#m E
This is harder than it seems, to try and fulfill your dreams
A D F#m
Cause all I want right now is you
E
but this is where I have to be

A D
And I will see you when I m coming back to Sweden
F#m E
And I will see you when the raindrops turn to snow
A D F#m
when new years eve comes I will be home
(**F#m**) **E D**
San Francisco says hello
E
I thought you oughtta know

A D F#m
Streets and buildings I don t know
E
People, parks, and avenues
A D F#m E
I keep trying to fit in but I m lost without you
A D F#m
Cause in this foggy distant place
E
Nothing feels and nothing tastes
A D F#m
I can t wait to get back home
