Symphony - Ulrik Munther

Enjoy! :)

Capo: 1

G **Cadd9**
I was looking for a pot of gold
Em7 **Dsus2**
Chasing rainbows, oh oh
G **Cadd9**
I saw summer turn to snow
Em7 **Dsus2**
I got cold, so cold

Cadd9 **G**
And in the morning breeze
Em **Dsus2**
You came to me

Cadd9 **G** **Em7** **Dsus2**
The world is like a symphony
Cadd9 **G** **Em7** **Dsus2**
The mountain s like the melody

Cadd9 **G**
Singin nah nah nah
Em7 **Dsus2**
Singin nah nah nah
Cadd9 **G** **Em7** **Dsus2**
Just for me

G **Cadd9**
Down a long and windy road
Em7 **Dsus2**
I ve been walking, on my own
G **Cadd9**
And I ve been calling this road my home
Em **Dsus2**
Like a fool, I was wrong

Cadd9 **G**
Singin nah nah nah

Singin nah nah nah
Just for me
Just for me

The world is like a symphony
The mountain s like the melody

Singin nah nah
Singin nah nah nah
Just for me, yeah
Just for me, yeah

Singin nah nah nah
Nah nah nah
Just for me
