LOVE S GREAT ADVENTURE

**G** **Em**  
Standing on my own  
**G**  
It didn t mean that much to me  
**Em**  
I thought I had it all  
**C**  
I didn t see the mystery  
**Am**  
I stood the test of time  
**C**  
And took the step to find  
**D** **NC**  
Love s great adventure  
  
Link **G, D**

**G** **Em**  
I spoke a million words  
**G**  
They didn t mean that much to me  
**Em**  
They rang around my head  
**C**  
Like empty tuneless harmonies  
**D** **G, D, C**  
Love s great adventure s mine\_\_\_\_\_

Link **D, G, D, C, D, Em, Bm, Am**

**G** **Em**  
Lying side by side  
**G**

**Em**  
But starting to enjoy

The poetry and symphonies  
**Am**  
I took it in my stride  
**C**  
And hailed the day I tried  
**D**  
Love s great adventure
