

My Sex
Ultravox

There are only four chords in this song, repeat til the end.

Intro: **G / D / F / C**

/G/

My sex
Waits for me
Like a /D/ mongrel waits
Downwind on a tight rope leash

/F/

My sex
Is a fragile acrobat
Sometimes I m a novocaine shot

/C/

Sometimes I m an automat

My sex
Is often solo
Sometimes it short circuits then
Sometimes it s a golden glow

My sex
Is invested in
Suburban photographs
Skyscraper shadows on a carcrash overpass

My sex
Is savage, tender
It wears no future faces
Owns just random gender

My sex
Has a wanting wardrobe
I still explore
Of all the bodies I knew and those I want to know

My sex
Is a spark of electro flesh
Leased from the tick of time
And geared for synchromesh

My sex
Is an image lost in faded films
A neon outline
On a high-rise overspill
