lyrics by Vincent Bocchini

This song was written in memory of September 11th 2001

C **G** **Em** **C** **G** **Em**

Sitting alone with time to think of what went down in the city today

C **Am** **G** **Em**

Lives were crushed in a second with no chance to get away

C **G** **Em**

Crying out for Your spirit today

C **G** **Em** **C** **G** **Em**

Try to help me understand the pain and loss thats in our hands

C **Am** **G** **Em**

The buildings that crumbled down left a mark on my soul today

C **G** **Em**

Many were lost along the way

(CHORUS)

F **C** **G** **F** **C** **G**

God bless our nation today guide us through it all the way

F **C** **Am** **G**

Keep us together in love so no one can take it away

C **G** **Em**

Crying out for Your spirit today

C **G** **Em**

Crying out for Your spirit today

C **G** **Em** **C** **G** **Em**

Tears are running down my face what they did to our place

C **Am** **G** **Em**

It is the hate of a heart that love cannot even trace

C **G** **Em**
Why does it have to be this way

(CHORUS)
