Intro: **E G E G E**

E
I wanna try and tell you but I dont know how to put it into words

G   **E**   **G**
 It s better to show you what i ve learned so you ll understand my concern

E
It s the reason some turn away dont want to hear what you say

G   **E**
They see how you live it makes them wonder what you give

(CHORUS)

G   **A**   **C**
 Are you out of line are you walking the line

                              B   **E G**
Are you giving a line can you see the line

E
See you lifting your hands to Him walking out living in sin

G   **E**
You see the Son shining bright but you still veer from the light

(CHORUS)

G   **E** **G**   **E**
Your confusing the ones that dont know they re seeing what you show

G   **A**   **C**
Just take the time to understand the mark your leaving with them

                              B
Their blood will be on your hands

(Lead chords)
G E G E

```
G                      A                         C
  Are you out of line are you walking the line

                      B
Are you giving a line

G                      A                         C
  Are you out of line are you walking the line

                      B
Are you giving a line

E G   E   G

E                        G
Are you forming a line

E                        G
Are you forming a line

E                        G
Are you forming a line

E                        G    E
Are you forming a line
