Chickamauga
Anodyne
Uncle Tupelo

transcribed: Weirdo - peoples@moe.coe.uga.edu

Intro - **F F(E) Dm C**
Never leave on your own
Verse - **F F(E) G**
Where you re from and where you re goin
Dm F C Dm 0 1 2 1 0 (D str)
I know these things like I know you hate me now
C F F(E) G
Catch yourself in midair thinking your dreams can never be bought
Dm F C Dm
I couldn t help then I guess I can t help you now

continue with next verse

When jousting is for pleasure and pleasure is way out of hand
The time is right for getting out while we still can (C chord here)

chorus

Eb Bb
Chickamauga s where I ve been
F Bb
Solitude is where I m bound
Eb Bb x20010 Gm F
I don t ever want to taste those tears again
Eb Bb x20010 Gm F Eb
I don t ever want to taste those tears again

Then back to the verse starting on D. The G(F#) means play a G chord with a F# in the bass (low E string). Just walk it down. Same type of thing on the chorus with the C chord into the x20010 chord. Just move your finger a half step down on the A string. The 01210 after the Em on the verses is just a little run on the low E string.
