**Am C G D**  
**Am C G D**  
This song is sung for anyone that s listening  
**Am C G D**  
This song is for the broken-spirited man  
**Am C G D**  
This song is for anyone left standing  
**Am C G D** (pick **D** chord)  
After the strain of a slow sad end

(5) --3---2---0

It seems everybody wants what someone else has  
And there s sorrow enough for all, just go in any bar and ask  
With a beer in each hand and a smile in between  
All around s a world grown mean

(chorus)

**E C**  
Well we ve all had  
**E C**  
Our ups and downs  
**E C E**  
It s been mostly down around here

(5) --0--0 H2--2--2 H3--3--3 P2--2--0

**Am C G D**  
Now this whole damn mess should be becoming quite clear  
**G G/F# Em D**  
Looks like we re all looking for a life worth livin

**Am C G D**  
That s why we drink ourselves to sleep  
**G G/F# Em D**  
We re all looking for a life worth livin  
**Am C G D**  
That s why we pray for our souls to keep

There s nothing left now but broken pieces  
Of one man s broken will to care  
And in the end before all is said and done  
How many others might follow him there

(same chords as chorus)  
But midnight is coming round  
It s still mostly down around here  
Now this whole damn mess is becoming quite clear

Looks like we re all looking for a life worth livin  
That s why we drink ourselves to sleep  
We re all looking for a life worth livin  
That s why we pray for our souls to keep
