[Verse]

**G** **D** **A7\***  
I don t see you through the windshield  
**G** **D** **A7**  
I don t see you in faces looking back at me  
**G** **D** **A7** (**D** -optional)  
Alcohol doesn t have much that matters to say  
**G** **D** **A7** **D**  
And imagine where you and time to kill will stay

[Chorus]

**G** **D** **A7** **D**  
The bible is a bottle and the hardwood floor is home  
**G** **D** **A7**  
When morning comes twice a day or not at all  
**G** **D** **A7** **D**  
If I break in two, will you put me back together  
**G** **D** **A7**  
When this puzzle s figured out will you still  
**F#m** **G** **Em**  
Be around  
**F#m** **G** **Em**  
To say you ve just been there  
**Bm**  
Walk in a line  
**G**  
upside down

[Verse]

**G** **D** **A7**  
Walk and breathe many a cancerous mile  
**G** **D** **A7**  
When the bat of an eye is too slow to beat the coughing  
**G** **D** **A7**  
They won t show it on the TV  
**G** **D** **A7**  
They can t say it on the radio  
**G** **D** **A7** **D**

But it s moving off the shelf and into our lives

**G** **D** **A7** **D**  
Till you can t tell the truth when it s right in front of your eyes

(Chorus)

**F#m G Em** (x2)

**Bm G**
