not forever just for now

not forever just for now

well theres a trouble around

its never far away

the same troubles been around

for a life and a day

now I can t forget the sound

cause its here to stay

the sound of people chasing money

and money getting away

(play chorus again)

chords during solo: **A-D-A-F#m-E-Esus4-D-A-D-E-Esus4**

in between the dirt and disgust there must be

some air to breathe

and something to believe

liquor and guns the sign says quite plain

somehow life goes on

in a place so insane

(play chorus again)
