Whiskey Bottle - Uncle Tupelo  
from the album No Depression

standard tuning (EBGDAE)

chords

- G - x02220    D - 022100
- Am - x24432    Dsus4 - 022200
- C - xx0232    Em - 244222
- Csus4 - xx0233    F - 320003

(chords are played cleanly during verses,  
and heavily distorted during chorus)

Intro chords: C-G-F-C-C-G (1x)  
G-F-C-C-G (2x)  
Am-C-D-Dsus4 (2x)

          G          C          G          Em  
persuaded paraded inebriated in doubt  
          D          Dsus4  
still aware of everything  
          C          G          C  Csus4  C  D  Dsus4  
life carries on without  
          G          C  
but theres one too many faces  
          G          Em  
with dollar sign smiles  
          D          Dsus4  
I ve gotta find the shortest path  
          C          G  
to the bar for awhile

          G          F          C          C  G  
(chorus) a long way from happiness  
          G          F          C          C  G  
in a three hour away town  
          G          F          C          C  G  
whiskey bottle over jesus  
          Am          C          D  Dsus4  
not forever just for now

not forever just for now

well theres a trouble around

its never far away

the same troubles been around

for a life and a day

now I can t forget the sound

cause its here to stay

the sound of people chasing money

and money getting away

(play chorus again)

chords during solo: **G-C-G-Em-D-Dsus4-C-G-C-D-Dsus4**

in between the dirt and disgust there must be

some air to breathe

and something to believe

liquor and guns the sign says quite plain

somehow life goes on

in a place so insane

(play chorus again)

ending chords: **G-C-G-Em-D-Dsus4-C-G**
