

Shine For You  
Under the Symphony

**E G**

We spent together a long time

**D A**

She is the chosen one

**E G**

But something happened to change it all

**D A**

Why she has to leave?

**E G**

Under a symphony we grew

**D A**

And we learnt to fly

**E G**

In one way or another I feel fine

**D A**

With she in my mind

**C G**

**D A**

**E G**

**E G**

If you want to shine, I will shine for you my love

**D A**

Under the Symphony

**C G**

**D A**

**D A**

Don t get me wrong

**E G**

There is no time for fear anymore

**D A**

She is the only one

**C G**

**D A**

**E G**
