

I hate it  
Under oath

[Verse 1]

**Dm**                **Bb**                                **G**  
I used to think I had it all  
**Dm**                **Bb**                                **F**                                **G**  
Somehow I fell back into habits that tear me apart  
**Dm**                **Bb**                                **G**  
I never got to say I m sorry  
**Dm**                **Bb**                                **F**                                **G**  
But I can t sleep alone tonight

[Pre-Chorus]

**Dm**  
If it s good for me and it s good for you  
**Dm**    **F**                                **G**  
If I die tonight then I ll make it up to you

[Chorus]

**Dm**    **C**                                **F**                                **E**  
You re the only thing that gets me high and I hate it, and I hate it  
(Woah)  
**Dm**    **C**                                **F**                                **E**  
You re the only thing that gets me high and I hate it, and I hate it

[Verse 2]

**Dm**                **Bb**                                **G**  
I m tangled up in my own image  
**Dm**                **Bb**                                **F**                                **G**  
But I hate who s staring back at me

[Pre-Chorus]

**Dm**  
If it s the truth I seek  
**Dm**  
It s the truth you ll serve  
**Dm**    **F**                                **G**  
If my soul is weak then I ll make it up to you

[Chorus]

**Dm**    **C**                                **F**                                **E**  
You re the only thing that gets me high and I hate it, and I hate it (Woah)  
**Dm**    **C**                                **F**                                **E**                                **Dm**                                **C**  
**F**                                **E**  
You re the only thing that gets me high and I hate it, and I hate it (Woah,  
Woah, Woah, Woah)  
**E**  
Yeah!

[Solo]

**Dm C F E**

[Bridge]

**Dm**

I m just a user

**A**

I m just a user

**C**

**Bb**

I m just a user cause I used you up to my end

**Dm**

If you could see me now

**A**

I wear a beggar s crown

**C**

If I could turn back time

**Bb**

I wouldn t change a fucking thing

[Breakdown]

**Dm**

God, erase me

**Dm**

I don t deserve the life you give

**Bb**

**C**

I don t deserve the life you give

**Dm**

God, I can t change at all

**Dm**

I don t deserve the life you give

**Bb**

**C**

I don t deserve the life you give

[Chorus]

**Dm**

**C**

**F**

You re the only thing that gets me high and I hate it

**F**

(And I hate it)

**E**

And I hate it

**E**

(And I hate it)

(Woah)

**Dm**

**C**

**F**

You re the only thing that gets me high and I hate it

(And I hate it)

**E**

And I hate it

**Dm**

(And I hate it)
