

**Its Dangerous Business Walking Out Your Front Door
Underoath**

Bb **G#**
I ve been up at this all night long

F#
I ve been drowning in my sleep

Eb
I ve prayed for your safe place

G#
And its time for us to leave

Time is running, its running on empty and the gas is running out
I ve decided that tonight is the night
That I let love aside

Bb
Full speed ahead this seems to be the place

G#
I ve seen this once before

F#
Planned perfection sought in my dreams

G#
Hoping this would take you home

My knuckles have turned to white
There s no turning back tonight
So kiss me one last time

Bb **G#** **F#**
Around this turn where the cross will cast your shadow

F# **G#**
The people will all gather

Bb
To remember such a day

G# **F#**
Where the flames grew as high as trees

F# **G#**
And the world stopped for you and me

Bb **F#**
My knuckles have turned to white

F# **G#**
There s no turning back tonight

Bb
Kiss me one last time

F# **G#**
(Shut your eyes)

Bb **F#**
My knuckles have turned to white

F# **G#**

There s no turning back tonight

Bb

(so hold on tight)

Bb

Kiss me one last time

F# G#

(Shut your eyes)

F F# Bb G#
I will now bring new meaning to the word alone

F F#
Endless nights of dreaming of life

Bb G#
And the days we should have spent here

Drowning in my sleep I m drowning in my sleep
Drowning in my sleep I m drowning in my sleep

Bb G#

Glass shatters and comes to a halt

G# F#

I thought we d be there by now

Eb G#

I thought it would be so much quicker than this

Bb G#
Pain has never been so brilliant

F#

I made sure you were buckled in

Eb

Now you can walk hand in hand with him

G#

Hand in hand with him

Bb F#

My knuckles have turned to white

F# G#

There s no turning back tonight

Bb

Kiss me one last time

F# G#

(Shut your eyes)

Bb F#

My knuckles have turned to white

F# G#

There s no turning back tonight

Bb

(so hold on tight)

Bb

Kiss me one last time

F# G# Bb

(Shut your...)
