

**Its Dangerous Business Walking Out Your Front Door  
Underoath**

**G** **F**  
I ve been up at this all night long

**Eb**  
I ve been drowning in my sleep

**C**  
I ve prayed for your safe place

**F**  
And its time for us to leave

Time is running, its running on empty and the gas is running out  
I ve decided that tonight is the night  
That I let love aside

**G**  
Full speed ahead this seems to be the place

**F**  
I ve seen this once before

**Eb**  
Planned perfection sought in my dreams

**F**  
Hoping this would take you home

My knuckles have turned to white  
There s no turning back tonight  
So kiss me one last time

**G** **F** **Eb**  
Around this turn where the cross will cast your shadow

**Eb** **F**  
The people will all gather

**G**  
To remember such a day

**F** **Eb**  
Where the flames grew as high as trees

**Eb** **F**  
And the world stopped for you and me

**G** **Eb**  
My knuckles have turned to white

**Eb** **F**  
There s no turning back tonight

**G**  
Kiss me one last time

**Eb** **F**  
(Shut your eyes)

**G** **Eb**  
My knuckles have turned to white

**Eb** **F**

There s no turning back tonight

**G**

(so hold on tight)

**G**

Kiss me one last time

**Eb F**

(Shut your eyes)

**D Eb G F**

I will now bring new meaning to the word alone

**D Eb**

Endless nights of dreaming of life

**G F**

And the days we should have spent here

Drowning in my sleep I m drowning in my sleep

Drowning in my sleep I m drowning in my sleep

**G F**

Glass shatters and comes to a halt

**F Eb**

I thought we d be there by now

**C F**

I thought it would be so much quicker than this

**G F**

Pain has never been so brilliant

**Eb**

I made sure you were buckled in

**C**

Now you can walk hand in hand with him

**F**

Hand in hand with him

**G Eb**

My knuckles have turned to white

**Eb F**

There s no turning back tonight

**G**

Kiss me one last time

**Eb F**

(Shut your eyes)

**G Eb**

My knuckles have turned to white

**Eb F**

There s no turning back tonight

**G**

(so hold on tight)

**G**

Kiss me one last time

**Eb F G**

(Shut your...)
