

**Its Dangerous Business Walking Out Your Front Door  
Underoath**

**G#** **F#**  
I ve been up at this all night long

**E**  
I ve been drowning in my sleep

**C#**  
I ve prayed for your safe place

**F#**  
And its time for us to leave

Time is running, its running on empty and the gas is running out  
I ve decided that tonight is the night  
That I let love aside

**G#**  
Full speed ahead this seems to be the place

**F#**  
I ve seen this once before

**E**  
Planned perfection sought in my dreams

**F#**  
Hoping this would take you home

My knuckles have turned to white  
There s no turning back tonight  
So kiss me one last time

**G#** **F#** **E**  
Around this turn where the cross will cast your shadow

**E** **F#**  
The people will all gather

**G#**  
To remember such a day

**F#** **E**  
Where the flames grew as high as trees

**E** **F#**  
And the world stopped for you and me

**G#** **E**  
My knuckles have turned to white

**E** **F#**  
There s no turning back tonight

**G#**  
Kiss me one last time

**E** **F#**  
(Shut your eyes)

**G#** **E**  
My knuckles have turned to white

**E** **F#**

There s no turning back tonight

**G#**

(so hold on tight)

**G#**

Kiss me one last time

**E F#**

(Shut your eyes)

**Eb E G# F#**

I will now bring new meaning to the word alone

**Eb E**

Endless nights of dreaming of life

**G# F#**

And the days we should have spent here

Drowning in my sleep I m drowning in my sleep

Drowning in my sleep I m drowning in my sleep

**G# F#**

Glass shatters and comes to a halt

**F# E**

I thought we d be there by now

**C# F#**

I thought it would be so much quicker than this

**G# F#**

Pain has never been so brilliant

**E**

I made sure you were buckled in

**C#**

Now you can walk hand in hand with him

**F#**

Hand in hand with him

**G# E**

My knuckles have turned to white

**E F#**

There s no turning back tonight

**G#**

Kiss me one last time

**E F#**

(Shut your eyes)

**G# E**

My knuckles have turned to white

**E F#**

There s no turning back tonight

**G#**

(so hold on tight)

**G#**

Kiss me one last time

**E F# G#**

(Shut your...)
