

**Its Dangerous Business Walking Out Your Front Door
Underoath**

B **A**
I ve been up at this all night long

G
I ve been drowning in my sleep

E
I ve prayed for your safe place

A
And its time for us to leave

Time is running, its running on empty and the gas is running out
I ve decided that tonight is the night
That I let love aside

B
Full speed ahead this seems to be the place

A
I ve seen this once before

G
Planned perfection sought in my dreams

A
Hoping this would take you home

My knuckles have turned to white
There s no turning back tonight
So kiss me one last time

B **A** **G**
Around this turn where the cross will cast your shadow

G **A**
The people will all gather

B
To remember such a day

A **G**
Where the flames grew as high as trees

G **A**
And the world stopped for you and me

B **G**
My knuckles have turned to white

G **A**
There s no turning back tonight

B
Kiss me one last time

G **A**
(Shut your eyes)

B **G**
My knuckles have turned to white

G **A**

There s no turning back tonight

B

(so hold on tight)

B

Kiss me one last time

G A

(Shut your eyes)

Glass shatters and comes to a halt

A G

I thought we d be there by now

E A

I thought it would be so much quicker than this

B A

Pain has never been so brilliant

G

I made sure you were buckled in

E

Now you can walk hand in hand with him

A

Hand in hand with him

B G

My knuckles have turned to white

G A

There s no turning back tonight

Kiss me one last time
