## Rapture Underoath

[Verse 1] Old familiar face, that bitter taste  ${\tt Bb}$ F She s been hanging around too long Dm That crooked tongue, so pale, so young Makes me warm [Chorus] Dm Take me to the darkness, hang me out to dry Tangled in your legs, in the webs of your lies DmLead me to the rapture, set my body free Вb Higher than the flames, set blaze inside of me, whoa There s no turning back, there s no coming down I m forever lost, there s no coming down [Verse 2] DmOh, I m skin and bones, pale as a ghost Вb F I know that I should be moving on DmBut in your embrace, you know I ll never change Вb F Hopeless, I am chained down on my knees [Chorus] DmTake me to the darkness, hang me out to dry Tangled in your legs, in the webs of your lies Lead me to the rapture, set my body free Bb

Higher than the flames, set blaze inside of me, whoa

Dm Bb A G F#
There s no turning back, there s no coming down
Dm Bb A G F#
I m forever lost, there s no coming down

[Bridge]
Dm E F E
When you call my name, I m never far away
Dm E F E
When you call my name, I know there s no escape

[Chorus]

Take me to the darkness, hang me out to dry  $\begin{matrix} G \\ \end{matrix}$  Tangled in your legs, in the webs of your lies

Dm C

Lead me to the rapture, set my body free

 $$\tt G$$  Higher than the flames, set blaze inside of me, whoa Dm Bb A G F#

There s no turning back, there s no coming down

Dm Bb A G F#
I m forever lost, there s no coming down
