

Reinventing Your Exit Underoath

my first time adding tabs in website :D

Am **F**
12th and Hyde on a Sunday
C
Feeling like were gold
F **Am** **F** **C**
And we re nothing short of invincible
F **C** **F** **C**
(Invincible, invincible)

C **F**
It starts again, can you feel it?
D **F**
It takes your breath away
F **Am** **F** **C**
Stop saying that we re invincible
F **Am**
(It s round and around)
F **G** **B6**
You re uninviting, unrewarding
F **AM** **C** **F** **C**
And I m misinforming you, misinforming you
F **Am** **F** **C**
We all want to be, want to be somebody
B6 **F** **C** **Am**
Right now, we re just looking for the exit

[Chorus]

F **C** **Am** **F**
This is the way I would have done things
F **C** **F** **C**
Up against the wall, up against the wall
Am **F**
You got me up against your wall
F **C** **Am**
This is the way I would have done things
F **C** **F** **C**
Up against the wall, up against the wall
Am **F**
You got me up against your wall
Am **F**
It s you and me on a Monday
C
The lies that we told
F **Am** **C** **F**
This is where we both go numb now

AM **F**
 You broke my heart again this time
C **F**
 You re fading now, you crossed the line
F
 You crossed the line
F **AM** **F** **C**
 We all want to be, want to be somebody
B6 **F** **C** **AM**
 Right now, we re just looking for the exit

[Chorus]

Reaching out for a hand, it s not here
 But you re not there, but you re not...

F **C** **Am**
 This is the way I would have done this
F **C** **F** **C**
 Up against the wall, up against your wall

F **C** **Am**
 This is the way I would have done this
F **C** **F** **C**
 When we re up against a wall (up against our wall)

[Chorus]
