No Capo

C
Closed off from love I didn t need the pain
Am
Once or twice was enough And it was all in vain
F **G**
Time starts to pass Before you know it you re frozen

C
But something happened For the very first time with you
Am
My heart melted to the ground Found something true
F **G**
And everyone s looking round Thinking I m going crazy

C
But I don t care what they say I m in love with you
Am
They try to pull me away But they don t know the truth
F
My heart s crippled by the vein That I keep on closing
G
You cut me open and I

C
Keep bleeding Keep, keep bleeding love
Am
I keep bleeding I keep, keep bleeding love
F **G**
Keep bleeding Keep, keep bleeding love

Dm **Am**
You can t play on broken strings
C **G**
You can t feel anything
Dm **Am**
That your heart don t want to feel
C **G**
I can t tell you something that ain t real
F
Oh the truth hurts
Am

And lies worse

C **G**

How can I give anymore

Dm **Am** **G**

When I love you a little less than before

And I keep bleeding love!

C

Keep bleeding Keep, keep bleeding love

Am

I keep bleeding I keep, keep bleeding love

F **G**

Keep bleeding Keep, keep bleeding love

C

You cut me open
