No Capo

C

Closed off from love I didn't need the pain

Am

Once or twice was enough And it was all in vain

F Time starts to pass Before you know it you're frozen **G**

C

But something happened For the very first time with you

Am

My heart melted to the ground Found something true

F And everyone's looking round Thinking I'm going crazy **G**

C

But I don't care what they say I'm in love with you

Am

They try to pull me away But they don't know the truth

F My heart's crippled by the vein That I keep on closing **G**

G You cut me open and I

C

Keep bleeding Keep, keep bleeding love

Am

I keep bleeding I keep, keep bleeding love

F Keep bleeding Keep, keep bleeding love **G**

Dm You can't play on broken strings **Am**

C You can't feel anything **G**

Dm That your heart don't want to feel **Am**

C I can't tell you something that ain't real **G**

F Oh the truth hurts

Am

And lies worse

C **G**

How can I give anymore

Dm **Am** **G**

When I love you a little less than before

And I keep bleeding love!

C

Keep bleeding Keep, keep bleeding love

Am

I keep bleeding I keep, keep bleeding love

F **G**

Keep bleeding Keep, keep bleeding love

C

You cut me open
