

Call Me Maybe
Union J

Capo 5! :) I think this is how George plays it in their boot camp audition - I just loved this version, this is my first tab so I hope it s okay! :)

C

I threw a wish in the well

Em

Donâ€™t ask me Iâ€™ll never tell

Am

I looked at you as it fell

F

And now youâ€™re in my way

C

I trade my soul for a wish

Em

Pennies and dimes for a kiss

Am

I wasnâ€™t looking for this

F

But now youâ€™re in my way

C

Your stare was holding

Em

Ripped jeans, skin was showing

Am

Hot night, wind was blowing

F

Where you think youâ€™re going baby?

C

Hey I just met you

Em

And this is crazy

Am

But hereâ€™s my number

F

So call me maybe

C

Itâ€™s hard to look right

Em

at you baby

Am

But hereâ€™s my number

F

So call me maybe

C

You took your time with the call

Em

I took no time with the fall

Am

You gave me nothing at all

F

But still you're in my way

C

I beg and borrow and steal

Em

At first sight and it's real

Am

I didn't know I would feel it

F

But it's in my way

C

Your stare was holding

Em

Ripped jeans, skin was showing

Am

Hot night, wind was blowing

F

Where you think you're going baby?

C

Hey I just met you

Em

And this is crazy

Am

But here's my number

F

So call me maybe

C

It's hard to look right

Em

at you baby

Am

But here's my number

F

So call me maybe
