Album(bestfriend)

[Intro]

E B C#m B A B E B7

[Chorus]

Just let me say how much I love you
Let me speak of your mercy and grace
Just let me live in the shadow of your beauty
Let me see you face to face
And the earth will shake as Your word goes forth
And the heavens can tremble and fall
But let me say how much I love you
O my Savior, . My Lord and friend

[Verse]

Just let me hear your finest whispers
As you gently call my name
And let me see your power and Your glory
Let me feel your Spirit s flame
Let me find You in the desert
Til this sand this holy ground
and I am found completely surrendered to you my Lord and friend
