Endless Years- United Pursuit

C **F** **C**
I will hold you child, when all is done

Am **F** **C**
When the world is gone and the songs have been sung

C **F** **C**
You will be with me through endless years

Am **F** **C**
We will dance and sing when your heart is fulfilled

F **C**
Donâ€™t you close your eyes

Am **F**
Don t you lose your way

C **F** **G**
Don t you miss all the gifts that are unforeseen

F **C**
I m your anchor and shield

Am **F**
I m the wind in your sails

C **F** **G**
I m the song in your heart, The God who saves.
