C **D**
There s not a prayer I ve prayed that you haven t heard
G **C**
Not a tear I ve shed that you didn t feel
C **D**
You re the God who comes to raise the dead
G
I know you ll raise me up again
C
I know you ll raise me up again
C **D**
Who can praise you from the grave
G
Just to see the life you gave
C
Just to see the life you gave
C **D**
And every fear in me you ve put to rest
G **C**
It s the song I bring of your faithfulness
C **D**
And every tear has led my feet to stand
G
Where the ocean meets the land
C **C**
Where the ocean meets the land

C **D**
Sink or swim I m diving in

Where the river start rushing

Where my heart starts beating

From the rhythms of the testing and the songs of the trials

I will lift a cry up to you, sung with hope inside my eyes

Sink or swim I m diving in
C **G**
To the passion of your heart, where love starts

G **C**
I lift my hands if my hands fail me

I ll bend my knees if my knees grow weak
