Eb **Bb**
In a time of bitter reflection
C **F**
In self made solitude
Eb **Bb**
Have we come too far, is it much too late?
C **F**
Have we overshot the mark?

Eb **Bb**
In a time of desolation
C **F**
As we search our inner selves
Eb **Bb**
Do we blame each other or curse on high?
C **Dsus4** **D**
Do we live life in the dark?

H **C**
Put on the mask and hide the pain
G **Dsus4**
Dont let another inside again
D **H** **C**
Escape from the world, don't let them see
G **Dsus4**
What you keep hidden among the debris

D **H** **C**
The cry of your heart, the warmth of your soul
G **Dsus4**
Are drowned in the rivers of total control
D **H** **C**
And all that you had is slipping away
G **D**
Replaced by illusion that starts to decay

D **D#**
Put on the mask and hide the pain
