

Glow  
Unkle

Intro: **E**

**E**

Out of all contexts and scenery

**G**

[issue s] laughter rings inside of me

**E**

**Em**

Aching paths don t cross so easily

**G**

Break my back to see things differently

**E**

So glow

**Em G**

We ve held off the cold

**E**

Low and behold

**G**

**E**

The season s passing toll

I find reasons and stop wondering

**G**

The different ways in which we feel the same

**E**

Give too much to what-if imagery

**G**

Now the second time means more to me

**E**

So glow

We ve held off the cold

So glow

We ve held off the cold

**Em G**

**E**

Low and behold

**D**

**E**

Turns winter spring and fall.
