

Keys To The Kingdom

Unkle

verse 1

Em

I shoot it low, kill the flow

Ruin myself out on the north shore

I make it one, watch the sun

Gm

Sink behind the trees with the keys to the kingdom

Em

I shoot it high, let it fly

Gm

Bury myself under a blue sky

Em

I see a scheme, make it clean

Drown in blue rivers under a muffled scream

G

A

Em

Call your number wishing I could make amends

G

A

Em

And I m caught in a space between my head and my face again

verse 2

Em

I hit it down, kill the sound

Ruin myself out on the northbound

I make it one, kill the sun

Gm

Bury my disease with the keys to the kingdom

G

A

Em

Call your number wishing I could make amends

G

A

Em

And I m caught in a space between my head and my face again
