Verse: 1

```
A9           D
Pin this one last
           E           F#m
Because it was the hardest
           A9           B           C#m           D
Yet it meant the most to me at the same time
A9           D           E
Feelings are tough to explain
           F#m           A9           B           C#m           D
When what I feel is bigger than any word that I can find
```

Refrain:

```
           F#m
So I wrote you this song
           A9
To tell you I love you
           D
But I know that that s much less than you deserve
           F#m
Its all so much less
           A9
Then these feelings Im feeling
           D
I hope my actions speak louder than words
```

Chorus:

F#m Esus

Call me whenever, and I will come running

D

Im ready and waiting for ever for you

F#m

Ill give you my whole heart

Esus

To hold as your keepsake

D

If you should ever need proof

Remembering the times that we spent together
I know how good it feels to be in your arms
Im always so happy and filled up with laughter
When ever Im with you I feel safe and warm
